QURBANI IMPACT REPORT 2025

PARCELS OF HOPE

The Spiritual Significance of Qurbani

Qurbani is not merely the act of distributing meat—it is a sacred tradition that reflects the essence of devotion, obedience, and empathy. Rooted in the legacy of Prophet Ibrahim (AS), Qurbani teaches us to surrender our will to Allah and give selflessly for the benefit of others. It is a moment where our faith takes form through action, and where our shared humanity is honoured by ensuring that no one is left behind during the days of Eid Al Adha.

At Droplets of Mercy, we strive to uphold the spiritual and social essence of this noble practice. Every Qurbani is carried out with integrity, care, and the intention to serve those who need it most.

Our Impact in 2025

In 2025, thanks to your generous support, we successfully delivered Qurbani to communities in nine countries—spanning regions in Africa, Asia, the Middle East, and North America. This included a special initiative in Canada, where we supported Gazan evacuees who are rebuilding their lives within our local communities. By providing them with Qurbani meat, we ensured they could celebrate Eid with dignity and inclusion, despite the hardships they've endured.

This report offers a transparent look at how your Qurbani made a tangible impact—feeding families, uplifting communities, and spreading mercy across borders. We are honoured to carry this amanah on your behalf.

This year, Droplets of Mercy focused its efforts in Egypt on supporting Gazan evacuees who have sought refuge in the region. Through your generosity, we were able to provide Qurbani meat to families displaced by the ongoing crisis, offering them comfort and dignity during Eid.

In addition to our Qurbani distribution, our dedicated ambassadors undertook humanitarian trips to Egypt, raising over \$100,000 for vital projects supporting Gazan evacuees. These funds helped deliver not only Qurbani, but also essential medical aid and food distributions — addressing both immediate and ongoing needs.
