Letter from our CEO

Dear Supporters and Partners,

As we reflect on the past year, I am filled with immense gratitude for the milestones we have reached together. Your unwavering support has enabled Droplets of Mercy to expand our impact globally and touch the lives of countless individuals in need.

One of our proudest achievements this year has been the establishment of new offices in the United States and the United Kingdom. These strategic expansions have brought us closer to our supporters, enhancing our ability to mobilize resources and deliver critical aid efficiently.

In Gaza, where resilience is tested daily, we have been privileged to provide \$2.1 million dollars worth of life-saving support amidst unimaginable challenges. From delivering essential food and medical supplies to helping relocate the displaced into shelters and restoring hope.

Beyond Gaza, we have continued to support vital projects in vulnerable communities around the world. Whether it is constructing wells to ensure access to clean water, providing sustainable livelihoods, or aiding orphans and widows, your contributions have made a tangible difference.

Another exciting development has been our expansion into Kenya, Uganda, Bangladesh, Sudan, Jordan, Lebanon and Malaysia. We are looking forward to sharing even more ways you can provide impact in these countries.

As we prepare for the coming year, we are more determined than ever to amplify our impact. The challenges ahead are significant, but with your continued partnership, we are confident that we can overcome them and bring light to even the darkest of places.

Thank you for being a part of this journey. Together, we are proving that small droplets of mercy can combine to create oceans of change.

With gratitude,
Abdel Rahman Hosein
